FOR IMMEDIATE RELEASE

Drew Davis Joins Foster as Chief Financial Officer

GREENSBORO, NC, November 6, 2024 – Foster has added financial guru Drew Davis to its team as Chief Financial Officer.

Throughout his 11 years in the financial industry, Davis has gained extensive knowledge to develop and grow strong, financial relationships and looks forward to carrying out the Foster vision of “Being THE supply chain solution between people and their food.”

“Taking a company our size, doubling it, and doubling it again is financially complex. We are excited to have Drew spearheading our strategic financial initiatives as we live out this complexity through our vision of better connecting people and their food. Drew is a fantastic addition to our executive team, he is a loving father, husband, and espouses the values that make Foster the family we are. Drew, thanks for leaning into this journey with me...Let’s Go!!” said Scott Bland, CEO.

Davis is from Greensboro, North Carolina, and graduated from East Carolina University with a Masters in Accounting. He has a proven track record of working with Fortune 50 companies, auditing for companies with revenues ranging from \$10 million to \$10 billion, cash and liquidity management, and supervising of various models of business.

Davis says he chose a business path with a concentration in accounting because it would give him the skills needed to best interpret financial results and locate areas in a business that need improvement. He currently enjoys the hobbies of his two-year old daughter which include hide and seek, reading children’s books and playing chase. However, he still finds time to enjoy a good round of golf and has become a Big Green Egg aficionado.

About Foster

Where People, Food, Come Together! Foster has proudly connected people and food for over 120 years through its distribution, supply chain and freight solutions.
